1. Tender Information

Tender reference	CTA/2026/T-0147
Tender title	Supply, Installation and Maintenance of Smart Bus Shelters
Issuing entity	City Transport Authority (CTA) - Procurement and Contracts Department
Tender type	Public tender
Contact	procurement@cta.example
Publication date	1 November 2026
Clarification deadline	22 November 2026
Closing date and time	2 December 2026, 12:00 (UAE time)

2. Introduction and Background

2.1 The City Transport Authority (CTA) is responsible for planning and operating public bus services across the city. As part of its 2026-2030 Smart Mobility Programme, CTA intends to replace 120 conventional bus shelters with climate-controlled smart shelters that provide real-time passenger information, improve accessibility and reduce energy consumption.

3. Scope of Work

3.1 Design, supply and installation of 120 smart bus shelters at the locations listed in Annex A (provided separately).

3.2 Removal and disposal of the existing shelters at the same locations.

3.3 Connection of each shelter to the power grid and to CTA's central passenger information system.

3.4 Testing, commissioning and training of 20 CTA staff.

3.5 Preventive and corrective maintenance for five (5) years from final acceptance.

4. Technical Specifications

Item	Requirement
Structure	Marine-grade aluminium and tempered glass, design life of 15 years
Cooling	Enclosed cabin kept at 24-26 °C when the outdoor temperature is 48 °C
Energy	Rooftop solar panels covering at least 30% of daily consumption
Passenger information	32-inch outdoor display showing real-time arrivals in Arabic and English
Safety	CCTV camera and emergency call button linked to the CTA control centre
Accessibility	Step-free access and space for one wheelchair

5. Contract Duration and Delivery Schedule

5.1 Supply and installation of all 120 shelters shall be completed within **180 calendar days** from the Notice to Proceed. The maintenance period is five (5) years from the date of final acceptance.

Milestone	Deadline
Detailed design approval	45 days from Notice to Proceed
First 40 shelters installed	100 days from Notice to Proceed
All 120 shelters installed and commissioned	180 days from Notice to Proceed

6. Eligibility and Qualification Requirements

6.1 A valid UAE trade licence covering the supply and installation of street furniture or transport infrastructure.

6.2 Registration on the government supplier portal.

6.3 At least three (3) completed projects of similar scope, each valued above AED 5,000,000, in the last seven (7) years.

6.4 ISO 9001 and ISO 45001 certification.

6.5 Audited financial statements for the last three (3) years.

7. Submission Instructions

7.1 Bids shall be submitted electronically through the CTA e-procurement portal no later than **2 December 2026 at 12:00 (UAE time)**. Technical and financial proposals shall be submitted as two separate files. Late bids will not be accepted.

Fictional training document

7.2 Clarification questions may be submitted through the portal until 22 November 2026. Answers will be shared with all bidders.

8. Bid Validity

8.1 Bids shall remain valid for **120 days** from the closing date.

9. Bid Security (Bid Bond)

9.1 Each bid shall be accompanied by an unconditional bank guarantee equal to **2% of the total bid value**, issued by a bank licensed in the UAE and valid for 150 days from the closing date. Bids without bid security will be rejected.

10. Evaluation Criteria

10.1 Bids will be evaluated in two stages. Only bids with a technical score of at least **70 out of 100** will proceed to financial evaluation. Final score = **70% technical + 30% financial**.

Technical criterion	Points
Technical solution and compliance with specifications	35
Relevant experience and references	20
Implementation plan and schedule	20
Maintenance and support approach	15
Local content and sustainability	10
Total	**100**

11. Commercial Terms

11.1 Estimated contract value: **AED 12,500,000** (excluding VAT).

11.2 Bid prices shall be in UAE dirhams (AED) and fixed for the duration of the contract.

11.3 Advance payment: **10% of the contract value**, released against an advance payment guarantee of equal value.

11.4 Payment milestones: 50% on installation of shelters (pro rata), 30% on final acceptance, and 10% in equal quarterly instalments over the maintenance period.

11.5 Payment within 30 days of receiving an approved invoice.

12. Performance Guarantee

12.1 The successful bidder shall submit an unconditional performance guarantee equal to **10% of the contract value** within 14 days of the award notice. The guarantee shall remain valid until 90 days after final acceptance.

13. Delay Penalties

13.1 For each day of delay beyond the contractual completion date, a penalty of **0.1% of the contract value** shall apply, up to a maximum of **10% of the contract value**.

14. Governing Law and Dispute Resolution

14.1 This tender and the resulting contract are governed by the laws of the United Arab Emirates. Disputes that cannot be settled amicably within 30 days shall be referred to the competent courts of the Emirate.

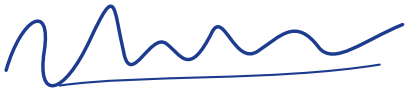

15. Language

15.1 This tender is issued in Arabic and English. Both versions are equally binding in substance; in case of any discrepancy, the Arabic version prevails.

16. Approval

16.1 These tender documents are approved for publication.
